Chatter from Pam Bryant the “Fun Girl”

Well, how was everyone's Christmas? Hope all is well and tummies are settled down. Now we have to get ready for the New Year. We will be having a New Year Potluck, with really wonderful delights, just bring what you want, savory or sweet, bring your own beverages, though I will put out a warm cider, coffee, tea and hot chocolate. We can see New Year in on New York time. Let's see who can last to our midnight. I know this will be a fun time so those of us that are home come on out and spend time with us.

Just to reflect on December, we surely had a busy time and a lot of fun. I hope you all enjoyed it. The Christmas tree decorating party resulted in the clubhouse looking so beautiful and we all had fun and enjoyed a happy chore. Thank You, my friends for all your help. The breakfast turned out really good. I tried a new recipe and it was fantastic. I have been ordered to do it again, so, do it again I will, mm!

CHRISTMAS DINNER 2006

Christmas Dinner was a smash! The room, table, and tree decorations looked so beautiful. The dinner was delicious. The Christmas carolers helped to get everyone into the holiday spirit.

On the 13th we had our Christmas Dinner. Sal Serrano excelled again, the Prime Rib and Chicken Marsala were delicious and I am sure everyone had a great time. We had a great potato bake and a lot of toppings to share, then we played Beanbag Baseball and the Canadians won. They played a good game (we will not let that happen again). We were quite easy on them this time, but next time "Watch Out"!! No more Mr. Nice Guy... We will be having a get together on Christmas Eve and I'm sure they will have a wonderful time. So we did have a fun December.

For January we are looking into perhaps going to a Dinner Theater in Hemet, maybe going to Santa Anita, or for those interested perhaps getting to Laughlin or Vegas. I will bring back the Birthday Bash for January as it was well received to start with, so if you have a birthday in January, let's all celebrate with you, we pay, you don't. We play Bingo on Thursday and are getting somewhere with the agreement on how to play. We will soldier on.

O.K. I will stop Chattering and I really hope to see you all out there, come and join in the fun, the more the merrier!

Please extend your hand and welcome everyone to our community!!!!
